

# COPPER MOUNTAIN COLLEGE

## 2017-2018

### REQUIREMENTS FOR THE ASSOCIATE DEGREE

With emphasis on Occupational/Vocational Preparation

Students may graduate from Copper Mountain College (CMC) with an Occupational/Vocational Associate of Arts or Associate of Science degree upon meeting the following requirements:

1. Complete the required courses for one of the Occupational/Vocational programs (major) listed in the Degree Programs section of the CMC catalog.
2. Complete 18 units from the following General Education pattern including the selected major or area of emphasis for a total of 60 semester units.
3. A cumulative grade point average (GPA) of 2.0 or better (for all grades earned in lower division courses at all colleges and universities attended) is required to earn an associate's degree from CMC. The required courses for the major or area of emphasis must be completed with grades of "C" or better. This includes restricted electives.
4. At least 12 units must be earned at CMC.

A single course, even though listed in more than one general education area, can only be used to satisfy ONE general education requirement.

### **C. Graduation Requirements: Competencies in Reading, Writing, and Mathematics**

**Reading Competency:** All students earning an associate's degree must demonstrate a reading proficiency at the collegiate level by obtaining a Reading Assessment score that falls in a range that meets the Reading Competency, completing RDG 51 College Preparatory Reading with a grade of "C" or better, or the equivalent. Students who have earned an associate's degree or higher from a regionally accredited college have met this requirement when they provide official transcripts showing the associate degree is completed.

**Writing Competency:** All students earning an associate's degree must demonstrate a writing proficiency at the collegiate level by passing ENG 3A College Composition or the equivalent with a grade of "C" or better.

**Mathematics Competency:** All students earning an associate's degree, with a non-transfer Occupational Emphasis, must demonstrate a mathematics proficiency by passing MATH 40 Intermediate Algebra or any college mathematics course determined by the Copper Mountain Community College District to be equivalent to or higher than MATH 40 with a grade of "C" or better.

Note: Consult the CMC Catalog available on the college's website: [www.cmccd.edu](http://www.cmccd.edu) for specific requirements for all degree or certificate programs. Please check with your counselor or academic advisor for possible changes in AA/AS degree requirements.
